SALT LAKE CITY COUNCIL
NOTICE OF HEARING**

NOTICE IS HEREBY GIVEN THAT ON Tuesday, October 20, 2015 at 7:00 p.m. a public hearing will be held in Room 315, Council Chambers, City County Building, 451 South State, Salt Lake City, Utah, before the Salt Lake City Council to accept public comment and consider adopting an ordinance amending the City's Zoning Ordinance pertaining to small solar energy collection systems in historic districts and at landmark sites (amending Section 21A.40.190.B, 21A.40.190.A and 21A.34.020.F) pursuant to Petition No. PLNHLC2014-00883. The proposed changes would allow City staff to approve applications for solar panel installations - except when they are proposed to be located on the front facade directly adjacent to the public right-of way. Currently, all applications must be reviewed and approved by the Historic Landmark Commission, regardless of panel location. Related provisions of Title 21A, Zoning may also be amended as part of this petition. All persons interested and present will be given an opportunity to be heard in this matter. The City & County Building is an accessible facility. People with disabilities may make requests for reasonable accommodation, which may include alternate formats, interpreters, and other auxiliary aids and services. Please make requests at least two business days in advance. To make a request, please contact the City Council Office at council.comments@slcgov.com, 801-535-7600, or relay service 711. (P 15-19)
